INTRODUCTION

Department of Training & Technical Education, Govt. of NCT of Delhi

Directorate of Training and Technical Education is entrusted with the responsibility of providing trained technical manpower for the technological up gradation of industrial production, services, productivity and innovation, contributing to the planned growth of the country's economy. With a view to achieving the above objective, Department strives for systematic planning, development, implementation, monitoring and evaluation of programs and policies relating to technical/vocational education.

Under DTTE there are 19 nos. Government ITIs and 36 Private ITI's offer various certificate and short-term courses under various government schemes

During current online admission the seats are being offered under CTS and DST schemes. Their details are as given below:-

CRAFTSMEN TRAINING SCHEME (CTS)

11552 seats under 14 sectors are being offered in 53 nos of trades are being offered under CTS regular mode as per page number 21 to 33 of prospectus.

The Craftsmen Training Scheme (CTS) was introduced by the Government of India in year 1950 to ensure a steady flow of skilled workers in different trades through the vast network of ITIs spread over various States / Union Territories in the country.

The restructured CTS courses are of 1200 hrs/year learning hours and 150 Hrs/year of On Job Training/Group Project and optional 240 hrs/year of add on/short term/Language courses.

Every year **150 hours of mandatory OJT (On the Job Training) at nearby indus**try, wherever not available then group project is mandatory.

Candidates need to arrange their own travel, boarding /lodging arrangements (If required) for OJT at their own expense and responsibility. No transport/boarding/lodging support to candidates would be provided by ITI/DTTE for OJT.

Trainees of one-year or two-year trade can also opt for optional courses of up to 240 hours in each year for 10th/ 12th class certificate along with ITI certification, or, add on short term courses.

ASSESSMENT & CERTIFICATION
The trainee will be tested for his skill, knowledge and attitude during the period of course through formative assessment and at the end of the training programme through summative assessment as notified by the DGT from time to time.

a) **The Continuous Assessment (Internal) during the period of training will be done by Formative Assessment:** Method by testing for assessment criteria listed against learning outcomes. The training institute has to maintain individual trainee portfolio as detailed in assessment guideline. The marks of internal assessment will be as per the formative assessment template provided on www.bharatskills.gov.in.

b) **The final assessment will be in the form of summative assessment:** The All-India Trade Test for awarding NTC will be conducted by Controller of examinations, DGT as per the guidelines. The pattern and marking structure are being notified by DGT from time to time. The learning outcome and assessment criteria will be basis for setting question papers for final assessment. The examiner during final examination will also check individual trainee's profile as detailed in assessment guideline before giving marks for practical examination.

PASS REGULATION

For the purposes of determining the overall result, weightage of 100% is applied for six months and one-year duration courses and 50% weightage is applied to each examination for two years courses. **The minimum pass percent for Trade Practical and Formative assessment is 60% & for all other subjects is 33%.**

Vocational Training is a concurrent subject of both Central and State Governments so the below mentioned bodies are formed at National and state level respectively: -

A.   **National Council of Vocational Training:** They look after the development of training schemes at National level, the evolution of policy, laying of training standard, norms, conducting of examinations, certification, etc. are the responsibilities of the central government.

The trades whose syllabus is designed by NCVT are called NCVT designated trades. All trades offered in current admission except commercial art and textile designing are NCVT designated trades. For NCVT Designated trades same syllabus is followed in all states and U.T."s (nationally). **NCVT Designated trade may be affiliated from NCVT (National Level body) or from SCVT (State Level body) as per affiliation status of trade at individual ITI level. Affiliation status of each Trade/ITI combination is mentioned against them in seat matrix at page number 21 to 33 of prospectus.**

B.   **State Council of Vocational Training**: They look after the development of training schemes at State level, the evolution of policy, lying of training standard, norms, conducting of examinations, certification, etc. The day-to-day administration including an admission in ITIs rests with the respective State Governments / UTs. The Trades whose syllabus is prepared/made by SCVT are called SCVT Designated trades. They are usually State specific. **In current admission two SCVT designated trades are being offered. Their affiliation is from SCVT (State Level body). Their details are as given below.**

A.   **Commercial Art:** This course/Trade is being offered at ITI, Pusa and ITI, Malviya Nagar.

B.   **Textile Designing**: This course/Trade is being offered at Jija Bai ITI Siri Fort.

Dual System of Training (DST)

Ministry of Skill Development & Entrepreneurship has implemented the scheme named "Dual System of Training" (DST) w.e.f. August 2016.

In current admission 192 nos of seats, two trades as given below are being offered under DST mode i.e.

1.   **Refrigeration and Air-conditioning Technician-DST:** This course/Trade is being offered at ITI Pusa, ITI SCVR Dheerpur, ITI Jail Road, ITI Jahangir Puri, ITI Nand Nagri, and ITI Narela.
2.   **Tool and Die (Press tools Jigs and Fixtures) – DST**: This course/Trade is being offered at ITI AKS,.

Objective of DST scheme is to enable industries and establishments to partner with Government and Private ITIs for conducting training programmes under high employability courses so as to fulfil their skilled manpower requirements.

The DST is an amalgamation of theoretical training imparted through ITIs and practical training imparted through the Industry. DST helps enable Industry linkages and provide hands on experience to students on industries latest/ updated technologies.

Under the DST scheme, the courses are conducted to meet the skilled workforce requirements of Industry so that after completion of training, **the trainee who are awarded National Trade Certificate (NTC) under the scheme have an edge over regular ITI pass outs in terms of employability and employment opportunities in Industry.**

With the vision of strengthening Industry linkages and acquainting students in ITIs with latest technologies used in the Industry, DGT encourages ITIs to participate in the DST program so that these ITI trainees are Industry ready.

DURATION OF TRAINING

S. No.	Duration of Course/ Trade	Duration of Industrial exposure / training (as per previous guidelines)	Duration of Industrial exposure / training (as per revised guidelines)
1	6 months	Not defined	1-3 months
2	1 year	5 months	3-6 months

Central Staff Training and Research Institute (CSTARI)
www.cstaricalcutta.gov.in

They develop curricula as per outcome based format and align the same with National Skill Qualification Framework (NSQF) for different flagship schemes of DGT viz., CTS, ATS & CITS and revise the same on continuous basis.

The syllabuses of NCVT designated trades are developed by and available at CSTRI website.

Skill India Digital Hub
(**https://www.skillindiadigital.gov.in/about-us**).

Skill India Digital Hub is specially designed and developed to skill, reskill and upskill Indian individuals through an online training platform, API-based trusted skill credentials, payment and discovery layers for jobs and entrepreneurial opportunities. The improved version of the platform has Udyam, e-Shram, NCS and ASEEM portals interlinked for G2C, B2C and B2B services. It will act as a bridge between the employees and employers and allow educational institutes to create/modify curricula as per industry demands. For more information interested candidates can visit the SID PORTAL

National Skills Qualifications Framework (NSQF)

The NSQF level of trades is mentioned against specific trade name in prospectus page number 21 to 33 of prospectus.

The **National Skills Qualifications Framework (NSQF)** is a competency-based framework that organizes all qualifications according to a series of Level of knowledge, skills and aptitude. These levels, graded from one to ten, are defined in terms of learning outcomes which the learner must possess regardless of whether they are obtained through formal, non-formal or informal learning.

Under NSQF, the learner can acquire the certification for competency needed at any level through formal, non-formal or informal learning. In that sense, the NSQF is a quality assurance framework. Presently, more than 100 countries have, or are in the process of developing national qualification frameworks.

The NSQF is anchored at the National Skill Development Agency (NSDA) and is being implemented through the National Skills Qualifications Committee (NSQC) which comprises of all key stakeholders. The NSQC's functions amongst others include approving NOSs/QPs, approving accreditation norms, prescribing guidelines to address the needs of disadvantages sections, reviewing inter-agency disputes and alignment of NSQF with international qualification frameworks.

Specific outcomes expected from implementation of NSQF are:-

i. Mobility between vocational and general education by alignment of degrees with NSQF

ii. Recognition of Prior Learning (RPL), allowing transition from non-formal to organized job market

iii. Standardized, consistent, nationally acceptable outcomes of training across the country through a national quality assurance framework

iv. Global mobility of skilled workforce from India, through international equivalence of NSQF

v. Mapping of progression pathways within sectors and cross-sectional

vi. Approval of NOS/QPs as national standards for skill training

Multi-Sectorial Development Program (MSDP)

Currently this scheme is run at ITI For Women (MSDP) ITI, Nand Nagari Campus, Delhi- 110093 (Only for Women)

The Multi-Sectorial Development Program (MSDP) was conceived as a special initiative of the follow up action on the Sachar Committee recommendations. It is a Centrally Sponsored Scheme (CSS) approved by the Government in the beginning of the 11th five Year Plan and launched in the year 2008-09 in 90 Minority Concentrations Districts (MCDs). It is an area development initiative to address the development deficits of minority concentration areas by creating socio-economic infrastructure and providing basic amenities. The scheme aims at focused development programs for backward minority concentration areas to help reduce imbalances and speed up development. 7. **Final rank list** will be displayed after incorporating the valid corrections. Candidate must note his/her rank for future reference.

8. No separate intimation will be sent to candidates regarding declaration of result. Intimation regarding declaration of result would be on the online admissions website.

9. Thereafter, in the **First Round of Counseling**, **seats will be allotted** to the candidates by considering their rank, category, sub-category and gender as per choice filled by the candidate in preferred order.

10. Counselling Result will be published on the online admission website. (Tentative Admission Schedule is given in the prospectus.)

11. The allotted candidates should take a printout of his/her Allotment Letter.

12. The procedure for counselling would be displayed on the "Online admission Portal".

13. If there is mistake in filling details by the candidate then it will be his/her own responsibility and DTTE/ITI cannot be held responsible for the same. However, he/she is advised to report the same at our email id caohelpline@gmail.comwithin stipulated time of admission.

14. If due to some unforeseen reason wrong allotments are made then DTTE/ITI reserve the right to take suitable corrective measures including cancelling and reallocation of wrongly allotted seats in the same or subsequent counselling rounds. In this case, the decision of DTTE/ITI will be final and binding to all parties.

15. All disputes will be subject to Delhi jurisdiction only.

CRITERIAL FOR CALCULATION OF MARKS PERCENTAGE

In case there is any clarification sought by the verifying Government ITIs regarding equivalency of the eligibility qualification certificate furnished by the candidate, the same must be produced by the candidates from the appropriate authority in the matter. In absence of the equivalency certificate, no admission shall be given to the candidate and the responsibility of the same shall solely be of the candidate.

The following criterion is to be followed while entering marks /grades for registration of various boards: -

1. If both marks and grades are given on the marks sheet for same subject then only marks are to be considered.

2. For marks sheets containing grades/grade points, the grades/grade points are to be converted to corresponding marks by using the conversion factors given in the mark sheet and filled in marks column in consideration to the single conversion factor for a given mark sheet.

3. If a candidate is absent in a subject, then that subject is also to be considered for admission. In marks obtained column the candidate should enter "0" for subjects in which he/she is absent.

4. If a candidate is fail in a subject then its marks are also to be entered.

The following points must be considered while converting grade/grade points into marks and vice a versa and verifying the marks /grades of the candidate:-

Marks sheet the grades/grade points are to be converted to corresponding marks and filled in marks column.

i) ***FOR MARKS SHEETS CONTAINING GRADE POINTS:*** The aggregate percentage of marks of all subjects including optional subjects after conversion from grade points according to respective conversion calculator shall be taken into account if possible, in consideration to the single conversion factor for a given mark sheet and vice versa. For conversion candidate should consider the conversion calculator of that respective board and if range of marks are given then take the average of marks as to consider as marks obtained.

ii) ***FOR MARKS SHEETS CONTAINING GRADES:*** The aggregate percentage of marks of all subjects including optional subjects after conversion from grade according to respective conversion calculator shall be taken into account, if possible, in consideration to the single conversion factor. For conversion candidate should consider the conversion calculator of that respective board and if range of marks are given then take the average of marks as to consider as marks obtained.

iii) ***FOR MARKS SHEETS CONTAINING MARKS:*** The aggregate percentage of marks of all subjects including optional subjects for which marks are given, if possible, in consideration to the single conversion factor for a given marks sheet and vice a versa.
In case no calculators are available or any confusion, help desk of any Govt. ITI may be contacted for guidance.

For CBSE marks sheets the following factors should be considered:-
a) All the marks or grades of the candidate should be entered.

b) In case of CBSE, if grades E1 OR E2 are given then their corresponding grade points will be deemed as 3 for E1 grade and 2 for E2. If a candidate is absent in a subject then his grade points would be 0.

TIE BRAKER CRITERIA

The rank of the candidate would be generated by calculating percentage of marks/grades secured by the candidate in qualifying examination and arranged in decreasing order. If two or more candidates are having same percentage/grade then, the following tie breaker criteria would be used in sequence to allot them distinctive ranks: -

Date of Birth: The candidate higher in age would be allotted the higher rank.

Application Number: If tie is still not broken then the candidate's application number in ascending order would be allotted the higher rank.

However, if still the tie does not break then CAO reserves the right to develop and implement further suitable criteria for distinguishing the rank of tied candidates.
